We are visitors on this planet. We are here for ninety, a hundred years at the very most. During that period we must try to do something good, something useful with our lives. Try to be at peace with yourself and help others share that peace. If you contribute to other people’s happiness, you will find the true goal, the true meaning of life.”

~ The Dalai Lama of Tibet
Dear Friends:

I hope by now some of you have been able to escape our oppressive heat wave, and if not, that you will do so in the near future. I guess this is the price of living in our beautiful desert surroundings.

I am currently working on our schedule of events for this coming fall into next spring. On Saturday, October 21, AFoT is hosting an expedition to see a beautiful Bhutanese Buddhist Temple, situated on the campus of the University of Texas in El Paso. My friend Losang Samten, a former Buddhist monk who has constructed several Sand Mandalas for AFoT at the University of Arizona, will be leading the tour of the Temple. Losang also will be returning to Tucson with us to do a prayer ceremony the following morning and individual healings in the afternoon.

Given our present political climate, I feel strongly that our society can use an infusion of positive feminine energy. In that spirit, I am hoping to have a wonderful female Buddhist teacher from Colorado, Tsultrim Allione, give teachings in Tucson during the winter or spring.

As we finalize other events and teachings we will let you know. For more information on upcoming events, please visit arizonafriendsoftibet.org.

Looking forward to seeing you all in the near future and thank you once again for your continued and generous support.

Best wishes to you all for a peaceful, relaxing, and cool summer!

Thanks,

Peggy Hitchcock
President, Arizona Friends of Tibet
