We are visitors on this planet. We are here for ninety, a hundred years at the very most. During that period we must try to do something good, something useful with our lives. Try to be at peace with yourself and help others share that peace. If you contribute to other people’s happiness, you will find the true goal, the true meaning of life.”

Lama Tsultrim Allione

Dear Friends:

Looks like our wonderful winter is behind us but what a delicious snowfall we had, so unexpected and so invigorating!

Our weekend workshop with Tsultrim Allione was a great success. Her focus on bringing divine feminine energy into our lives is so very much needed in our current culture. If you attended Tsultrim Allione’s weekend workshop or are otherwise familiar with her work, we have formed an ongoing meditation group to continue our practice. For more information on joining the meditation group, please contact Khandro Noble at 303-325-0515, who is a senior student of Lama Tsultrim’s.

I was fortunate enough to go on a spiritual journey to Sri Lanka in mid-January. My friend, Bob Thurman was leading the group. Brent Olsen, who organized the journey for Geographic Expeditions and who is a brilliant photographer, has agreed to do a photographic presentation of our journey for Arizona Friends of Tibet supporters. It will take place at 4PM, April 7 in the Tucson Country Club’s Catalina Room. Sri Lanka is a beautiful, beautiful place with an ancient Buddhist culture, full of artifacts, caves, and temples. Please join us if you have a chance.

Good news, Bob Thurman has agreed to give a talk for us on the evening of April 30 about the life and teachings of the great Buddhist master, Tsongkhapa. Tsongkhapa was a great reformer and revitalizer of Tibetan Buddhism who lived in the 1400’s. He was also the founder of the Gelugpa monastic order to which His Holiness the Dalai Lama belongs. Please save both dates! (See page 1 for details)

I am wishing you all the most glorious Spring ever! I hope to see you soon.

Lama Tsultrim, founder and resident lama of Tara Mandala in Colorado, presented a public talk to 120 participants, many of whom signed up for the weekend retreat. The lecture was based on Lama Tsultrim’s book, “Wisdom Rising: A Journey into the Mandala of the Empowered Feminine.”

Participants described Lama Tsultrim as a powerful teacher who was warm and welcoming to all who attended. “The energy in the room could have powered the world.”

Known for her ability to translate ancient Tibetan Buddhist tradition into clear, relatable, and relevant teachings, Lama Tsultrim gave the audience an extraordinary perspective on feminine wisdom and enlightenment.
